FROM the OLD ARMADILLO:

Our website, www.founderlionsclub.org, is up and ready for your use. We add something new each week. Soon it will be completed. Why not check it out each week and learn something.

A man goes into a bar with his dog. He goes up to the bar and asks for a drink. The bartender says "You can't bring that dog in here! " The guy, without missing a beat, says "This is my seeing-eye dog. " "Oh man," the bartender says, "I 'm sorry, here, the first one's on me." The man takes his drink and goes to a table near the door. Another guy walks into the bar with a Chihuahua. The first guys see him, stops him and says "You can't bring that dog in here unless you tell him it's a seeing-eye dog." The second man graciously thanks the first man and continues to the bar. He asks for a drink. The bartender says "Hey, you can't bring that dog in here!"The second man replies "This is my seeing-eye dog." The bartender says, "No, I don't think so. They do not have Chihuahuas as seeing-eye dogs. "The man pauses for a half-second and replies "What?!?! They gave me a Chihuahua?!? "

One last event I cannot leave out today. I am an Eagle Scout so I might be flogged out of the membership if I forget this very important date. Today, **08 February 2010**, is the **one hundredth anniversary of the birth date of Boy Scouts of America**. Boy Scouts all over the USA will be celebrating the anniversary for the next year, you WILL be hearing more about this event. The Boy Scouts is an organization that has changed so many lives over that 100 years and has amplified so many others. ***"Be Prepared!"***
